The screenshot shows a Windows XP desktop environment. A file explorer window is open, displaying a list of files in a single column. The files are listed in ascending order of size. The desktop background is a light blue gradient. The taskbar at the bottom shows the Start button and several open applications, including Internet Explorer and a file explorer window. The system tray in the bottom right corner shows the date and time as 10/10/2009 10:10:10 AM.
